

Alphatek TEK632 3 in 1 200A Mini Clamp Meter

The TEK 632 is the first in a series of two “Mini” Clamp Meters which are designed to verify the presence of load current and non contact voltage. The TEK 632 is probably one of the lowest priced AC/DC “Mini” Clamp Meters currently available! The small body and jaws fit perfectly into your hand and feature a large back lit display, together with a built in jaw “flashlight” which illuminates the jaw opening around cables.

FEATURES INCLUDE:

- 2400 Count LCD Display
- AC/DC 2A 200A Current
- Non Contact Frequency Measurement
- Data Hold, Low Battery Indicator
- Auto Power Off, Case Included
- Non Contact Voltage Detection
- Built in Flashlight
- DCA Zero Function
- Frequency up to 1kHz
- Mini Jaw Size 0.7”, Rubber Hand Grip

Alphatek TEK633 3 in 1 200A AC/DC Clamp Meter

The TEK 633 is the last of the series of “Mini” Clamp Meters. The TEK 633 measures AC/DC Current and AC/DC Earth Leakage Current which is also a non-contact Voltage Detector. Making the TEK 633 probably the lowest priced combined AC/DC Current and Earth Leakage Clamp Meter available.

FEATURES INCLUDE:

- Non Contact Voltage Detector
- Built in Jaw Opening Flashlight
- AC/DC 200A Current
- AC/DC 200A Earth Leakage Current
- Back Lit Display
- Auto Power Off
- DCA Zero Function
- Mini Jaw Size 0.7”
- Rubber Hand Grip
- Data Hold Low Battery Indicator
- 2400 Count LCD Display

Alphatek TEK635 Mini-clamp 400 AC

Polarity Indication, max. input current 500A AC up to 60 seconds, Audible Continuity <40ohms

FEATURES INCLUDE:

- AC Current 0-400 Amp, Auto Ranging
- Resolution 0,01A
- Max input current 500A
AC up to 60 seconds
- AC Voltage 0-600V, Auto Ranging
- DC Voltage 0-600V, Auto Ranging
- Resistance 0-400 ohms, Resolution 0.1ohm
- Audible Continuity <40 ohms
- Low Battery Indication
- Auto Range Indication
- Data Hold Function
- AC and DC Input Indication
- Analogue Bargraph, 42 Segment

Alphatek TEK680 1000A AC Digital Clamp Meter with Temperature

1000 Amp AC Clamp. Continuity Buzzer, Temperature Range -40C to 750C, Data Hold, Back Lit Display.

FEATURES INCLUDE:

- Conforms to BSEN 61010 IEC 1010, CAT II 1000V CAT III 600V
- 1999 Count LCD Display
- Back Lit Display
- Complete with Rugged Carrying Case
- Data Hold, Low Battery Warning
- AC Current 20/200/1000A $\pm 2.0\%$
- AC Voltage 750V $\pm 1.0\%$
- DC Voltage 1000V $\pm 1.0\%$
- Continuity Buzzer 4
- Resistance 200/2000 ohms $\pm 1.0\%$
- Temperature Range -40C to 750C Thermocouple Included

Alphatek TEK682 2000A AC Clamp meter with MAX hold

2000 Amp AC Current, Max / Peak Hold, Back Lit Display, 2000M ohm Continuity Range.

FEATURES INCLUDE:

- Conforms to BSEN 61010 IEC 1010, CAT II 1000V
- 1999 Count LCD Display with Back Light
- Complete with Rigid, Rugged Carrying Case
- Max Hold Range
- Low Battery Warning
- Peak Hold
- Max Conductor Size F 50mm
- Continuity Buzzer
- AC Current -200/2000A
- AC Voltage 750V
- DC Voltage 1000V
- Resistance 200ohm/20k/20M/2000 Mohm
- Power Source 9V MN 1604 Included

Alphatek TEK692 Voltage & Continuity Tester in Rubber Housing

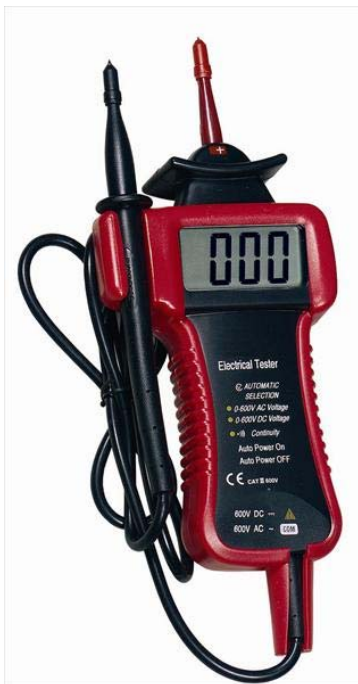

The TEK 692 voltage and continuity tester features a rugged rubber housing which offers easy stowage and increased protection to the user.

FEATURES INCLUDE:

- Automatic Power On and Off
- AC Voltage up to 690V
- DC Voltage up to 220V
- Continuity Test
- Polarity Indication
- High Impedance 1Mohm
- Can be ordered as fully GS38 spec order as TEK 692GS*
- Automatic Selection of Voltage or Continuity

Alphatek TEK693 Voltage & Continuity Tester in Rubber Housing

The TEK 693 Tester provides voltage and continuity in a compact case with rugged rubber housing, which will turn on automatically when you place the probes together and after usage the TEK 693 turns itself off!

FEATURES INCLUDE:

- Automatically selects VAC, VDC or Continuity Test
- 1999 Counts LCD actually displays voltage
- Automatic On and Off
- High Input Impedance 400 kohm
- Low Battery Warning
- AC / DC Voltage 0-600V

Alphatek TEK694C Open jaw combined Current & Voltage tester

200 Amp AC “Open Jaw” Clamp Meter, Frequency 10Hz to 100kHz. AC/DC Voltage up to 1000 Volts (DC 700V), Capacitance Test, Auto Power Off, Auto Ranging, Continuity Buzzer.

FEATURES INCLUDE:

- Meets BSEN 61010, IEC 1010 and IEC 1010-2-032 CAT II 600V
- Input impedance
AC/DC Voltage = 10Mohm
- 200 Amp AC “Open Jaw” Clamp Meter
- AC Voltage 0 - 1000V
- DC Voltage 0 - 700V
- Overload Protected on All Ranges
- Polarity Indication
- Auto Ranging
- Auto Power Off
- Frequency Range 10Hz to 100kHz
- Resistance Range 400ohm to 40Mohm
- Audible Continuity Test
- Capacitance Measurement 40nF to 40mF
- Duty Cycle 0.1% to 99.9%
- “Open Jaw” Max 12mm
- Complete with Test Leads & Case
- 3999 Count LCD Display

Alphatek TEK731 1000A AC Clamp Meter Max Hold

The TEK 731 is one of Alphateks' new range of digital clamp meters which have a 1000 Amp range with overload protection on all ranges. They all feature a tear drop shaped jaw which allows easy access in crowded cable areas.

FEATURES INCLUDE:

- 3 1/2 Digit 2000 Count LCD Display
- AC Current 1000A
- AC/DC Voltage up to 600V
- Resistance Range up to 20Mohm
- Overload Protection on All Ranges
- Back Lit Display, Diode Check
- Max Hold, Data Hold
- Auto Power Off Low Battery Warning
- Continuity Buzzer

Alphatek TEK775 Mini-Clamp AC Earth Leakage Tester

The TEK 775 is a Clamp Meter especially designed for measuring earth leakage. With a low range up to 200mA (resolution 0.1mA). Compact, lightweight and very easy to use.

FEATURES INCLUDE:

- Shielded Transformer Jaw opens to 1.2"
- 100mA High Resolution
- Least affected by external magnetic field, providing wide measuring range from very small to large current
- Data Hold function to allow for easy reading in dimly lit or hard-to-reach locations
- Dynamic Range of 2000 counts full scale
- Auto Power Off

Alphatek TEK835 1000A AC TRMS Clamp Meter

The TEK 835 Series, is a Professional True RMS Clamp Meter, which provides accurate AC Current and AC/DC Voltage readings, regardless of waveforms. Non linear loads will not distort the Current or Voltage waveform.

FEATURES INCLUDE:

- 3 3/4 Digit 4000 Count
- Peak Hold, Data Hold
- Double Moulded Housing
- 40 Segment Bar Graph
- 1000 Amp AC Only
- Auto Power Off Overload Protected
- True RMS Current & Voltage
- Continuity Buzzer, Diode Check
- Capacitance, Frequency and Temperature
- AC & DC 600V

Alphatek TEK837 1000A AC/DC Clamp meter

The TEK 837 is a Professional True RMS 1000Amp AC and DC Clamp Meter, which provides accurate Current and Voltage readings, regardless of waveforms. Non linear loads will not distort the Current or Voltage waveform.

FEATURES INCLUDE:

- 3 3/4 Digit 4000 Count
- Peak Hold, Data Hold
- Double Moulded Housing
- 40 Segment Bar Graph
- 1000 Amp AC and DC
- Auto Power Off
- Overload Protected
- True RMS Current & Voltage
- Continuity Buzzer, Diode Check
- DC Amp Zero
- Capacitance, Frequency
