

INDUSTRIAL CALIBRATION LIMITED

REPAIR AND CALIBRATION OF TEST EQUIPMENT

QUALITY POLICY STATEMENT

It is the policy of Industrial Calibration Limited to provide a calibration and repair service which will meet our Client's needs and achieve and maintain the standards of quality embodied within the Quality manual.

The Company will develop long term partnerships with its Clients and work towards providing total satisfaction combined with a value for money service.

Through a process of continual improvement the Company undertakes to set and review its objectives, and ensure that members of staff are adequately trained and aware of their responsibilities.

The Quality Manual has been produced under the direction of the Managing Director of the Company and details the requirements of the Quality Management System designed to satisfy the stated objectives.
